## Project Development and Environment (PD&E) Study

### I-95/SR 9 Interchange at 6th Avenue South, Palm Beach County, Florida

Efficient Transportation Decision Making (ETDM) No. 14228, Financial Project ID No. 436963-1-22-01

The Florida Department of Transportation (FDOT), District Four, will conduct a Public Hearing for the I-95/SR 9 Interchange at 6th Avenue South PD&E Study. The project limits are from north of 12th Avenue South to south of Lake Worth Road along I-95/SR 9 and from Michigan Avenue to South C Street on 6th Avenue South in Palm Beach County, Florida. **The Public Hearing will be held on Thursday, August 3, 2017, at The Club Managers Association of America Therapeutic Recreation Complex (Special Olympics Training Facility) in the Gymnasium located at 2728 Lake Worth Road, Lake Worth, FL 33461.** The Public Hearing will commence as an open house at 5:30 p.m., with a formal presentation at 6:00 p.m. In the event that the Public Hearing cannot be held on August 3, 2017, due to severe weather or unforeseen conditions, it will be held on the alternate date of August 10, 2017, at the same time and place.

A PD&E Study is FDOT's process to evaluate the social, economic, and environmental impacts associated with a planned transportation improvement project.

The purpose of this Public Hearing is to give interested persons a final opportunity for the public to make verbal or written statements about the study and the recommended improvements.

If you would like to review the project documents prior to the Public Hearing, they will be available to the public beginning on July 13, 2017, at the Lake Worth Public Library, 15 N M St Lake Worth, FL 33460 (Tuesday and Wednesday 10:00 a.m. – 7:00 p.m.; Thursday 10:00 a.m. – 6:00 p.m.; Friday and Saturday 10:00 a.m. – 5:00 a.m.) and the Florida Department of Transportation District 4 Office, 3400 W Commercial Blvd. Ft. Lauderdale, FL 33309 (Monday through Friday 8:00 a.m. – 5:00 p.m.). The documents will remain on display through August 13, 2017.

The environmental review, consultation, and other actions required by applicable federal environmental laws for this project are being, or have been, carried out by the Florida Department of Transportation (FDOT) pursuant to 23 U.S.C. §327 and a Memorandum of Understanding dated December 14, 2016 and executed by the Federal Highway Administration and FDOT.

Public Participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status. Persons who require special accommodations under the Americans with Disabilities Act (ADA) or persons who require translation services (free of charge) should contact Mr. Fernando Morales, P.E., Project Manager at least seven days prior to the hearing. If you are hearing of speech impaired, please contact the agency using the Florida Relay Service, 1(800)955-8771 (TDD) or 1(800)955-8770 (Voice).
